YOUR safety is our concern.**

11. Electricity is available on some poles at the Freeport Park. Please note that the City of Freeport does not charge for the use of this electricity. If you overload the circuitry and trip the breakers, the breakers **WILL NOT** be re-set. Therefore, please be extremely careful about what you plug into the outlets. The outlets should not be used for A/C units, Heaters, Deep Fat Fryers, or high amperage devices. Minimize the drains on the system and it will work fine for you.

12. For the **MEAT JUDGING**, the **Judge's clock is the ONLY OFFICIAL TIME PIECE**. At 5 minutes **prior** to the scheduled judging times, the Judging Official will sound the ALARM. This is your only notification that the meat is to be brought in for judging. At 5 minutes **after** the scheduled judging times, the ALARM will be sounded again, hence shutting down the acceptance of judged meat.
13. The City has allowed us to utilize the park and therefore, we ask you to help us adhere to these guidelines. They are in place to ensure that everyone has a GREAT time.
14. If available, ice will be provided as a courtesy.
15. If you need EMS or FIRE assistance, please contact any member or call 911.

There are no guarantees that the decisions made to address any particular issue will benefit parties submitting the complaint. **Please note that all decisions made by the Committee and Chairman are final.**
